

# YES! I SUPPORT SINGLE-PAYER UNIVERSAL HEALTH CARE FOR ALL COLORADO

The **Colorado Health Services Program (CHSP)** eliminates wasteful administrative spending by replacing our current fragmented insurance model with equitable health care access through a single-payer, universal health care system. **CHSP** saves money and saves lives. It provides:

Peace of mind: guaranteed health care  
 Quality, comprehensive health coverage for all  
 Competition: public-payer / private-provider system

Choice of providers and hospitals  
 Sliding scale: everyone pays their fair share  
 Long-term, dental, and mental health care

**We, the undersigned citizens of the State of Colorado, petition the SB 208 Colorado Blue Ribbon Commission for Health Care Reform to recommend, and the Colorado Legislature to enact, the Colorado Health Services Program.**
